

Managing cookies

How can I control cookies?

Cookies settings

If you don't want to receive certain categories of cookies, you can use this tool to opt-out of them. We will need to set a cookie so that we can remember your choices when you next visit the website from the same browser. At the present time it is not technically possible for us to allow you to carry your settings with you between your browsers on different devices so you will need to change these settings from each browser you use.

Please also be aware that we make every effort to respect your choices, however, there is the possibility that not all cookies will be captured. If this is a concern then we would recommend that you change your cookie settings via your browser; your browser help function will tell you how.

Most pages on the website do work without cookies, but you will lose some features and functionality if you choose to disable cookies. The cookie settings below only apply to the websites. For everything else, please see How can I control cookies?

1. Strictly necessary cookies

These cookies are strictly necessary to enable you to move about the site or to provide certain features you have requested.

✓ Enabled

2. Functionality cookies

These cookies enhance the functionality of website by storing your preferences.

✓ Enabled

3. Performance cookies

These cookies help to improve the performance of the website, providing a better user experience.

✓ Enabled

When you move away from this page, your settings will be saved.
